SALES

Interior:

The interior of the aircraft was refurbished in 2018 and is in near new condition! It has the most desired Citation XLS cabin arrangement which seats Nine passengers.

The interior is configured with a center club arrangement seating four and two aft forward-facing seats. The forward part of the cabin has a right-hand side-facing 2-place couch and a left hand deluxe refreshment center. On the opposite side a closet for storage. Aft, you will find a belted private lavatory with flushing toilet (externally serviceable) and sliding doors for privacy.

The cabin is equipped with an AvVisor Plus system with a Moving map which is presented on a 10.4 inch display in the right hand forward closet. The aircraft has a Dual Channel ST-3100 Iridium Satellite phone system with two handsets – one in the cabin and one in the cockpit.

Avionics

This cockpit has been upgraded to meet all latest demands and features such as ADSb-out and WAAS/LPV. The high level of avionics including Flight Data Recorder, TCAS 7.1, ELT 406 etc assures the aircraft fulfills the regulations for commercial operation within the EASA countries.
